ADDENDUM #3 to the University of Florida ITB19TM-109 for Cisco VoIP Phones

This addendum shall be considered part of the Contract Documents for the above-mentioned **ITB19TM-109** as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original document, this addendum shall govern and take precedence. All other terms, conditions, and regulations will apply.

This addendum consists of :

- A re-stated table of Estimated quantities, reflecting Addendum #2’s updates to the price sheets;
- A clarification that on Addendum #2’s Price Sheets, “8831 Microphone Kit” shall refer to the “Wired” model (not Wireless); and
- A recommendation (but not requirement) for responding vendors to include pricing for “8831 Wireless Microphone Kit” in one of the blank spaces on the revised Price Sheets which were included with Addendum #2.

Please be reminded – **this ITB is scheduled to open on Friday, December 7, 2018 at 3:00 PM EST.**

Sincerely,

Taylor McKellips, Procurement Agent II
Procurement Services

Please acknowledge receipt of Addendum #3 by signing below, and returning this addendum with your proposal. Failure to include addendum with your proposal may result in rejection.
