

BOISE® ASPEN® MULTI-USE RECYCLED PAPERS

Everyday Printing and Copying with Recycled Content

Run-ability and recycled, together at last

Boise helps you reach your environmental sustainability goals with our ASPEN® Multi-Use Recycled Copy Papers. ASPEN 30, 50, and 100 all feature the same hardworking characteristics and brightness as non-recycled sheets – delivering high-performance document production in any home, office, or high-speed print environment.

When your job calls for a recycled sheet, reach for proven quality, reach for ASPEN.

Features & Benefits

- Trusted results in all copiers and printers
- Engineered for consistent performance and excellent run-ability with post-consumer fiber content
- ASPEN 30 is formulated for exceptional run-ability in high-speed printers, copiers, and fax machines
 - » 99.99% jam-free performance guarantee¹
 - » Performance Certified by Buyers Laboratory, Inc. (BLI)
 - » Available in SPLOX®[®], speed-loading, reamless box allowing for faster loading in all equipment
- Proudly made in the USA
- Supports revitalizing urban parks through Project UP™
