Scope of Work: This ITB is for the replacement of 13 steel exterior doors at Whitney Lab Building #1012, 9505 Oceanside Blvd. St Augustine, Florida. All doors are to be replaced with doors manufactured of new impact rated fiberglass, commercial quality design. This ITB consists of a Base Bid for new vendor provided doors, frames, all hardware, installation and UF permit fees and demolition of current doors and frames.

List of Doors to be replaced:

- See Attachment A for door locations.
- See Attachment B list of doors.

**Base Bid** price will include:

- New vendor provided doors and frames as noted in Attachment B.
- All needed commercial hardware for hanging and installation of each door: hinges, panic bars, schlage locks and closers, exterior handles, door seals; keyed, removable Mullins; hardware to consist of 316 stainless steel, as noted in Attachment B.
- Doors noted on Attachment B should be prepped for EPT in doors and frames.
- Installation of all doors and frames. Installation will be into masonry walls.
- UF permit cost for door replacement. Fee schedule can be found here: [http://www.ehs.ufl.edu/programs/buildcode/codes/fees/](http://www.ehs.ufl.edu/programs/buildcode/codes/fees/)

Awarded vendor will be responsible for verifying measurements after Purchase Order is issued and prior to placing order for the doors.
