

The logo for UFH Health features a blue background. At the top, there is a thin, curved orange line. Below this, the letters 'UF' are rendered in a bold, orange, serif font. To the right of 'UF', the word 'Health' is written in a white, serif font. The 'U' and 'F' are positioned to the left of the 'H' in 'Health', creating a visual connection between the two parts of the name.
